

Eugene/Springfield HAM Swap

Saturday, June 29 9:00 AM-12:00 PM

(Sellers to arrive at 8:30 AM for set up)

Oregon Electronics, 975 Conger Street, Eugene

This is a joint activity with Emerald Amateur Radio Society and Valley Radio Club of Oregon.

For more information, please visit www.emerald-ars.us

All local-area ham radio operators invited to attend as a seller, a buyer or both. There is no cost to attend as either a buyer or a seller.

The Swap Meet is for amateur radio related items **only** (including computer equipment). Firearms, personal items, etc. are not allowed. There will be common table provided for sellers with small numbers of items.

Selling is limited to non-commercial entities.

OTHER THINGS HAPPENING AT THE SWAP MEET:

Check out of your handheld radios will be available with a two-way radio service monitor.

Meet, greet, and socialize with other local amateur radio operators.

Coffee and pastries will be available (small fee to cover costs)

Buyers should park on the streets surrounding Oregon Electronics. Sellers will have a designate place to park located in the parking lot. All seller's tables are limited to the designated area in the Oregon Electronics parking lot.
